

AURA G4 1,5W

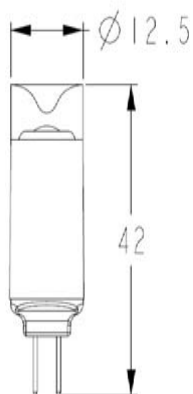

PRODUCT DESCRIPTION

The Thaleos Aura G4 1,5W accomplishes more important installations to bring about ambient lighting. Its light emission allows creating a warm atmosphere. It replaces halogens, even those of 10 W, without an additional installation.

- Ideal for traffic zones and ambient lighting
- Ready-to-use with its integrated transformer
- 80 % energy saving
- Lights up instantly

DIMENSIONAL DRAWING
