

SIGMA STREET LIGHT 280 W

PRODUCT DESCRIPTION

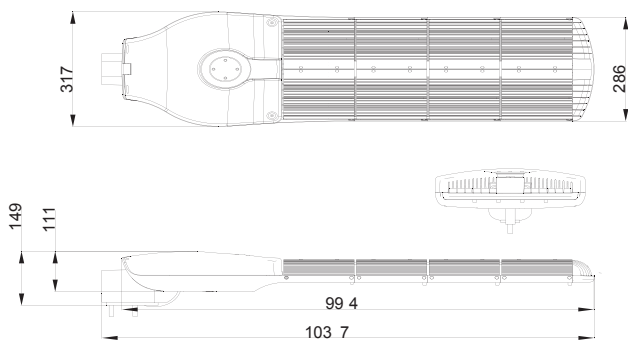

Sigma Street Light 280W replaces existing lamppost heads.

Reduction of maintenance tasks is particularly appreciated when it comes to specific constraints such as public lighting. Robust and reliable, Sigma Street Light 280W is a good value product providing quick return on investment.

- ⤷ **Standard adaptation to existing masts**
- ⤷ **Resistant to shocks and vibrations**
- ⤷ **No blinding or ultraviolet**
- ⤷ **Photovoltaic panels can be installed**
