

SIGMA TUNNEL LIGHT 40 W

PRODUCT DESCRIPTION

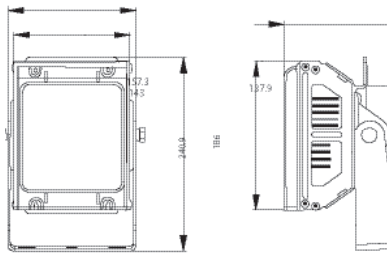

Sigma Tunnel Light 40W comes in replacement to stadium and tunnel lighting.

Reduction of maintenance tasks is particularly appreciated when it comes to specific constraints such as large scale lighting. Robust and reliable, Sigma Tunnel Light 40W is a good value product providing quick return on investment.

- Specific fixing for optimal positioning
- Resistant to shocks and vibrations
- No blinding or ultraviolet
- Adapts to metal edging spots
